

Quality Life Style (QLS) PROGRAM

A Cost-effective Increase in Productivity | Creativity | Work Satisfaction

How can a small change to HR Procedure revolutionize the Business Performance?

IMPROVE EMPLOYER BRANDING

Grow your Company REPUTATION and EVP (#) | Reduce LEGAL Risk
(#) EVP - Employer Value Proposition

How many people in your office enjoy coming to work?....

On average only 20% (LinkedIn survey 2016)
IMAGINE if you could changed that to 80%.

YES you can - Increase HYGIENE Value

How QLS PROGRAM helps HR and OH&S Managers:

- * Transition employees to the **Office Mobility**
- * Increase employee Well-being and Productivity
- * Increase HYGIENE value
- * Reduce the office work injuries
- * Accessible to the majority of employees
- * Reduce weight without strenuous exercises
